

Turn your typical Tuesday into a night of family fun at our Summer Block Party on June 3 from 5pm-8pm! Bring the kids, grandparents, neighbors, and friends!

The celebration has activities for all! There will be a variety of inflatables, games for all ages, and face painting. Need a bite to eat? Snacks and sweet treats will be available for purchase throughout the night.

Don't let a little weather forecast ruin your plans—the party continues, rain or shine, because summer fun waits for no one! Mark your calendars, spread the word, and join us for the community event of the season. We're saving a spot just for you!
