Elective: Getting on the Pathway Where We Can Encounter Jesus
February 16; March 2, 9, 16, 23, 30 in Learning Commons

The Spiritual Disciplines are those practices found in Scripture which promote spiritual growth. They are habits of devotion that have been practiced by Christians since biblical times for the purpose of Christlikeness. We will be investigating ways of practicing these disciplines, not legalistically, but out of gratitude for the great grace the Father has shown us in Christ. Jerry Lindell will teach this elective. This elective will not meet next Sunday during Missional Living Conference.

Spiritual Formation 2025 Congregational Challenge: Spend 10 minutes everyday and 30 minutes once a week in Silence and Solitude

As we finish up our series on Silence and Solitude within our year of Spiritual Formation, we hope that you have had a chance to open yourself to how Silence and Solitude can help drown out the noise of each day and spend time in quiet with God. Our prayer is that you would find ways to continue to incorporate this practice in every day life in ways that are the most impactful for you.
