April 27: Union with Christ (Elective)

How do believers participate in the life of God? How do we utilize Jesus' saving benefits, and what do they mean for the life and mission of the Church? The doctrine of union with Christ answers these questions. Join us this April as we study the spiritual connection that exists between Jesus and believers. This reality shapes our understanding of God, produces spiritual formation, and generates Christian mission. Join our teacher, Richard Winston, next Sunday in the Learning Commons at 9:45 am.
