MISSIONAL LIVING CONFERENCE  
FEBRUARY 21-25, 2026

We ask ourselves “*Is it worth it?*” dozens of times a day—about our time, our money, our relationships, and our priorities. When was the last time you asked yourself that question when thinking about following Jesus and the ministry He continues through His church? Join us for the Mitchell Road Missions Conference as we explore the cost, joy, and eternal impact of following Jesus into His mission. Hear powerful stories, meet missionaries serving around the world, and discover how God invites all of us into something far greater than we imagined.

### Our 2026 Speaker:

Dr. Lloyd Kim is coordinator of Mission to the World, the mission-sending agency of the Presbyterian Church in America.

A native of California, he graduated from UC Berkeley with an engineering degree and worked as a consultant with Ernst & Young before getting his M.Div. at Westminster Seminary in California and his doctorate in New Testament studies at Fuller Theological Seminary. He was associate pastor with New Life Mission Church (PCA) in Fullerton, Calif., before joining MTW.

He and his wife, Eda, a physician, served as missionaries with MTW for 10 years, first in the Philippines and then Cambodia. There, they initiated a new church-planting work that grew to a team of 20 working in multiple sites.

Dr. Kim was elected coordinator of MTW in 2015 by the PCA General Assembly. MTW focuses on making disciples and multiplying churches in over 100 countries and under his leadership has been sending an increasingly diverse, multi-national missionary force across the globe. The Drs. Kim live in Atlanta, Georgia, and have three adult children.
